Doğuş'un yeni operasyonel ofis mobilyası serisi Wish zarif ve versatil ayak yapısı ile herşeyden önce tertemiz, yalın ve özgün bir tasarım sunmaktadır. Serinin hem masa formu hem de dolapları birçok üstün niteliği biraraya getirmektedir. Aluminyum enjeksiyon ayak üretim teknikleri açısından yüksek teknoloji içermektedir. Masa bir aluminyum profil tarafından taşındığı için süreklilik imkanı sağlayarak, farklı boyutlarda masaların üretimini mümkün kılar. Bu taşıyıcı aynı zamanda elektrik kanalı olarak kullanılarak gereksiz kablo kalabalıklarını önler. Böylece sistem yalın bir şekilde mekanı tamamlar. Ayaklar merkezden çıkacak şekilde yerleştirilmiştir, bu durum kullanıcıya maksimum çalışma serbestisi sağlar. Yine aynı özgün ayak yapısı sayesinde masalarda yükseklik ayarı mümkündür.
Doğuş için tasarlanan Wish Ofis Mobilyası, tek bir alanda birçok çözüm üretmek üzerine kurgulanmıştır.

The new operational office series of Wish's elegan and versatile legs offer imaculate simple and original designs in your office space. The series table form and the cabinets bring together many outstanding qualities. Aluminium injection legs have been manufactured with high technology. Table is carrying by aluminium profile so this gives us opportunity of using different size of tables in different forms. This carriers also used as a electrical channel which prevent unnecessary cable usage.Therefore the system is a simple way to complete the space.The legs are drawn out from the center so It is disposed, which allows the user maximum freedom of the legs. The same unique foot structure has offers adjustable heights.
Wish has been designed for "Doğuş" and it is fictionalised for multiple solutions in single space.
